

## NEWS AND UPDATES

### Math

### Addition concepts

### Foundations Language Art

### Letter sound cards and writing

I hope everyone had a great first week of school. We will be having our first spelling test on Friday ! The students are so eager to learn and such great listeners during the day! I look forward to a great year with all my students!

#### This Week's Spelling...

We will be practicing sounding out words when spelling.  
Please practice this at home with the spelling list.

### Weekly Homework Assignments

Thank you for keeping your child's calendars in their DOT binder all month. The students will color the calendar day green, yellow or red for the behavior choices that day. This holds them accountable and helps that make good choices while giving the parent feedback.

You will be receiving a reading fluency sheet in the Homework Packets. Please read and follow the instructions and help your child practice their reading fluency.

Homework will be passed out on Mondays. Please return Homework on Friday. Thank you!
